

General Rules of the IDTA Cyprus Dance Competition

Participation Rules

- Only the members of the IDTA could apply for registration of their students to participate in the competition
- Professional dancers, teachers and certified instructors are not permitted to participate on the competition
- A valid IDTA member's card should be presented by the teacher/principle of the students at the administration table of the competition to receive the participation "number" of the couple, solo or group
- 20% of the participants of each dancing group could exceed the age limit (ex. 2 of 10 dancers in a junior group could be youth)

Penalties are applied to the scores if the rules of each dance style are not followed

- Every participant is responsible for his/her health. The IDTA Cyprus Ballroom Branch has no responsibilities for any injuries or mental meltdowns before, during and after the competition.
- The IDTA Cyprus Ballroom Branch has no responsibilities for any loss of private belongings of the audience and of the participants.
- The competition will be videographed and photographed by a professional videographer/photographer. Along with the registration for the competition, the participants, the audience and officials, consent that the material will be provided for usage on social media and the website of the IDTA Cyprus Ballroom Branch.
- The videography and the photography is forbidden during the competition by the audience, the participants and coaches
- The material of the visual content will be provided for sale by the official photographers/videographers of the competition
- The music of each team/duo/trio should be uploaded during the registration, otherwise the registration will not be valid and will be deleted
- Identificational (ID/Passport) document should be uploaded for each participant during registration to the competition
