General Rules

Duos

1. The Duos will be performing to 3 different tempo songs
2. Traditional style is only allowed
3. Separation of the couple and acrobatic tricks are not permitted

Music

- 1- The duration of the music for the couples will be +/-90 seconds
- 2- Each song will be characteristic to the dance, according to the books, and randomly chosen by the Dj

Groups

1. The choreography could be themed
2. The choreography could be synchronized without changes in the formations, or polyrhythmic with changes in the formations
3. At least 5 characteristic actions should be included in the choreography according to the dance style

4. Acrobatics are permitted during the performance, although the choreography should not exceed 3 acrobatic tricks in total, which are not allowed to be performed in a single continuation, but they should be split throughout all the choreography. Acrobatic trick is considered when a full frontal or sagittal rotation of a body is done

Music

- 1 - The duration of the music for the groups will be up to 150 seconds(2mins 30sec)
- 2 - Each song/remix should be characteristic according to the dance style.
- 3 - The teacher of each group is responsible for production/remix of the composition.
- 4 - The teacher is responsible for carrying the music on a usb flash driver
- 5 - The music should be uploaded to the registration system along with the registration of the participants
